Good morning Mr Kim,

Thank you for your registration update. Your registration will **remain current until 21 December 2022**.

Please note that to remain 'current' on the Road Safety Auditor's Register you must complete a Road Safety Audit every 12 months as explained in your registration letter.

Also note you are required to submit a Maintenance Application Form every 12 months, available on DTMR Website <https://www.tmr.qld.gov.au/Safety/Road-safety/Road-safety-auditors>.

Please note that you **will not receive a reminder** to renew your registration when due and we recommend that you make a calendar entry as a personal reminder to renew your registration prior to your registration expiring.

Removal from the DTMR Road Safety Auditor's Register website will automatically occur after this date.

Kind Regards
