Dear Mr Chordia

Thank you for your application for registration as a **Senior Road Safety Auditor**.

The aim of registration is to have on record a listing of suitably skilled and experienced road safety auditors for selection to undertake road safety audits. To be eligible for registration as a Road Safety Auditor the applicant must satisfy the following criteria:

- (a) a minimum of five years relevant experience in road design, traffic engineering, road safety engineering or other closely related road safety discipline; and
- (b) successful completion of a road safety audit training course, approved and recognised by a State Road Authority.

To be eligible for registration as a Senior Road Safety Auditor, the applicant must satisfy the following additional criteria:

- (a) participation in at least five road safety audits of which at least three must be design stage audits.

Based on the information in your application, you satisfy the criteria for **Senior Road Safety Auditor** and have been registered on the database as such.

Please note to remain on the register you are required to certify the maintenance of your road safety audit experience by participating in at least three road safety audits in the coming three calendar years based on Queensland's new arrangement for Road Safety Auditing. Your registration expiry date will be set as **31 December 2025**.

As you gain additional experience in road safety audit, please supply the updated details to the Road Safety Audit Registration Coordinator via email at road_safety_audit@tmr.qld.gov.au.

Yours sincerely
