Dear Mr. England

Thank you for your application for registration as a **Senior Road Safety Auditor**.

The aim of registration is to have on record a listing of suitably skilled and experienced road safety auditors for selection to undertake road safety audits. To be eligible for registration as a Road Safety Auditor the applicant must satisfy (a) and (b) of the following criteria, and to be eligible for registration as a Senior Road Safety Auditor, the applicant must satisfy (a), (b) and (c) of the following criteria:

- (a) a minimum of five years relevant experience in road design, traffic engineering, road safety engineering or other closely related road safety discipline;
- (b) successful completion of a road safety audit training course, approved and recognised by a State Road Authority; and
- (c) participation in at least five road safety audits of which at least three must be design stage audits.

Based on the information in your application, you satisfy the criteria for **Senior Road Safety Auditor** and have been registered on the database as such.

Please note that to remain on the register; you will be required to certify the maintenance and experience in road safety audit and the participation in at least one road safety audit per annum.

This registration database will be updated regularly. Over time, as you gain additional experience in road safety audit, please supply the updated details to:

Mr Melvin Eveleigh
Principal Engineer (Roads Safety)
